

MANUAL: THE ART OF TELLING GREAT JOKES AND BEING FUNNY

You may be wondering, “Who is this guy that is trying to teach me how to tell a great joke?” That is a good question.

Am I a comedian? No.

Am I a famous comedy writer? No.

Am I a clown for kids parties even? Noooo (Thank goodness for the kid’s sakes!)

My name is Craig Kirsner, and I discovered long ago the secret to making people laugh, and you know that people love to laugh!

I also uncovered an easy way to finally remember the great jokes found in this Manual. Learn how to tell a great joke and be funny with the tips and techniques found inside.
