

Every day, a male co-worker walks up very close to a lady standing at the coffee machine, inhales a big breath of air and tells her that her hair smells nice.

After a week of this, she can't stand it anymore, takes her complaint to a supervisor of sexual harassment in the personnel department and states that she wants to write a grievance against him.

The Human Resources supervisor is puzzled by this decision and asks, "What's sexually threatening about a co-worker telling you your hair smells nice?"

The woman replies,

*"It's Keith, the midget" ☺*
